Fiber Optic Solutions

Patch panel HD 3U, without grounding, empty

DESCRIPTION:

- Modular configuration system:
    - Possibility for FO/Cu assembling,
    - Siutable for SPL cassettes, MPO cassettes, BOT cassttes
- Capacity: 20 slots for FO/Cu insertion
- Max port density:
    - 240 ports for SC SX FO
    - 480 ports for LCdx FO
    - 120ports/3U for copper
- Full range of connectors:
    - RJ45/u (unshielded) – kat.5, kat.6. kat.6$_A$
    - LCdx, SC – MM/SM

TECHNICAL SPECIFICATION

Material:

Frame – powder paint coated steel
Guidance – Plastic

Ingress protection:

IP 20 according to PN-EN 60529.

Color:

Black RAL 9005

Weight:

2.65 kg

Temperature range

-40°C do +70°C

Scope of supply:

Frame, empty
